Sir:

The owner, IRENE LIN, of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term of any patent granted on pending Application No. 10/645,300, filed on August 21, 2003, as such term is defined in 35 U.S.C. 154 to 173, and as the term of any patent granted on said Application No. 10/645,300 may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending Application No. 10/645,300. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on Application No. 10/645,300 are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of any patent granted on said

Application No. 10/645,300, "as the term of any patent granted on Application No. 10/645,300 may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending Application No. 10/645,300," in the event that: any such patent granted on the pending Application No. 10/645,300 expires for failure to pay a maintenance fee; is held unenforceable; is found invalid by a court of competent jurisdiction; is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321; has all claims canceled by a reexamination certificate; is reissued; or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

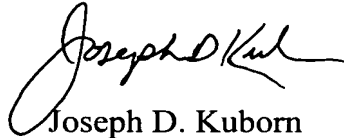

The owner, IRENE LIN, of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term of Patent No. 7,077,923 as the term of said prior patent is defined in 35 U.S.C. 154 and 173, and as the term of said Patent No. 7,077,923 is presently shortened by any terminal disclaimer. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and Patent No. 7,077,923 are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of the term of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of Patent No. 7,077,923, "as the term of said Patent No. 7,077,923 is presently shortened by any terminal disclaimer," in the event that said Patent No. 7,077,923 later: expires for failure to pay a maintenance fee; is held unenforceable; is found invalid by a court of competent jurisdiction; is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321; has all claims canceled by a reexamination certificate; is reissued; or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

The \$65.00 small entity fee associated with filing this Terminal Disclaimer is enclosed. The Commissioner is hereby authorized to credit any overpayment or charge any underpayment for filing this Terminal Disclaimer to Deposit Account No. 01.2000.

Respectfully submitted,
